

Government Polytechnic, Aurangabad

(An Autonomous Institute of Government of Maharashtra)

Training and Placement Cell

Activities of the Placement Cell

✚ *Placement is a crucial interface between the stages of completion of academic program of the students and their entry into the suitable employment. Our placement cell is performing the following activities*

- *Inviting various organizations for campus recruitment*
- *Training to suit various needs of industry*
- *Arranging in plant training for students*

✚ *In addition to Campus placements the Cell organizes training programs like, Mock interviews, group discussions, case studies, etc. It also organizes Seminars on*

- *Personality development*
- *Interpersonal and Communication Skills*
- *Career guidance*
- *Interview Techniques*
