BEST PLACE IN GPA FOR BRIGHT FUTURE OF STUDENTS..

CIVIL ENGINEERING DEPARTMENT

VISION

To be a centre of excellence to meet global standards satisfying dynamic demands of industry and society encouraging lifelong learning technological innovations and competent professionals through highly qualified, committed and trained staff.

MISSION

To educate the globally competent civil engineering diploma graduates through excellent education system for creating synergy for socio-economic development of nation, with focus on development of social values, human ethics, employment and self-employment spirit and lifelong learning skills.

OUR INSPIRATION

BHARAT RATNA Sir M. Visvesvaraya (15 Sept. 1860-14th April 1962) Sir Mokshagundam Visvesvaraya, the towering personality in the history of Indian Engineering community was born on 15 Sept.1860 at Muddenhali village in kolar District of Karnataka. Graduated from College of Science Pune (now C.O.E.P) in 1883.Visvesvaraya joined the Bombay P.W.D. and rose to the position of Chief Engineer. He worked consistently throughout his life to bring the fruit of advanced science and technology to the doorsteps of a common man. Visvesvaraya realized that there is could be no salvation for the people of the country except the judicious use of technology. He was honoured by presentation of the country's highest Award-BHARAT RATNA IN 1955.

CESA INCHARGE

I am extremely happy that we are going to publish 'RHYTHM 2K18', uninterrupted publication of a CESA Magazine. CESA is a platform to explore hidden talent among civil engineering students for their academic and overall development. Academic, sports, social & cultural activities are organized by the students and for the students with the financial support raised by student themselves in the form of CESA annual fees every year. Academic activities include expert lectures from civil engineering institutes and industries. These activities give opportunity to students to explore their hidden talent. I take an opportunity to congratulate all CESA committee members for successful completion of various activities arranged by them in academic year 2017-18. Student's enthusiasm, teamwork, cooperation and valuable guidance by our HOD, J.S. Patil are important factors, which made CESA activities fully functional. Accomplish every goal with a confluence of Head, Hand and Heart. Attain brilliant success in every Noble endeavour. I wish you All the Best, forever!

नोटाबंदी

सरकारने 1000-500च्या

बंद केल्या नोटा,

नोटाबंदीमुळे काही लोकांचा

मोठा झाला तोटा.

जुन्या नोटांचा स्विकार करत होते

हॉस्पिटल व पेट्रोल पंप.

नोटाबंदीमुळे लोकांनी

सुरु केले वेगवेगळे संप.

नोटाबंदीमुळे येतंच हो

काळा पैसा बाहेर,

परंतु लोकांनी केला

जुन्याच नोटांचा आहेर.

अनेकांची सुरु चिंता

आता होईल काय?

एवढ्यातंच 2000च्या नोटेने

केले सर्वांना Hiii !

नोटाबंदीमुळे झालाय

जनतेलाच मोठा फायदा,

पुर्वी कधीच घडला नव्हता

असा कोणता कायदा .

नवीन नवीन योजनांमुळे

होतेय सर्वांचीच प्रगती,

नवीन नवीन योजनांमुळे

वाढलीये आर्थिक गती.

अस्तित्व

आपन गर्दीचा भाग असल्याने
गर्दित काही घडलेले नसते
आपन गर्दित सामिल नसल्याने
गर्दीचे काही बिघडलेले नसते
गर्दी आपल्यासाठी थांबत नसते
आपन थांबलो म्हणून,
गर्दी थांबत नसते तसेच
नसते गर्दी ला काही सोयरसुतक
आपल्या सुखदुःखाचे
vyai@tgat
AiDADcaNaIMcal ,
नसते काही गर्दीला काही शिस्त

तसेच नसतो काही आवाज
जरी गर्दीला असतात कान,डोळे
मानसशास्त्र- गर्दीला असते काही
विSaYT कारण
आणि काही उद्देश
आपन आपल्या गर्दित
विरघLत का बरे नाही
याचेच मला फार आश्चर्य वाटते
आणि वाईट ही
स्वातंत्र अस्तित्व टिकवून्यची
ही धडपड कोणत्या टोकपर्यंत
जाऊ शकते?.....

VOTE OF THANKS

I am very happy and feeling blessed that we are going to publish CESA E-Magazine i.e. 'RHYTHM 2K18', RHYTHM 2K18 is a platform to show the various activities, programs conducted by Civil Engineering Students Association and their achievement. In this year, after formation of CESA lots of activities conducted by CESA under the guidance of prof. S.S.Ragte (cesa incharge), prof. R.L.Shirale (additional cesa incharge) and beloved head of department prof. J.S.Patil.

In this year various programs like Freshers Party, Engineers and Teachers day, Inauguration of CESA vision board, Toppers Talk and Farewell Party were successfully arranged by CESA committee. For every program, participation of students is prime important and civil Engineering students take immense part in all programs conducted by civil engineering students association.

On the occasion of publishing CESA E- magazine, I would like to thanks our beloved head prof. J.S.Patil for their motivation and timely friendly guidance to students. Also I would like to thanks hon. CESA Incharge prof. S.S.Ragte and prof. R.L.Shirale for their valuable guidance and making friendly environment with all Students. I would like to thanks to all civil engineering staff who has source of information for successful completion of all programs and RHYTHM 2K18'.

I am also thankful to all CESA committee members for their coordinating work and work for arranging each program throughout CESA. Also I am thankful to all Civil Engineering Students for Participating in the programs and making functional atmosphere.

Lastly but yet important I would like to thanks Shreedhar, Divya, Priyanka and Vishal for taking interest to completing RHYTHM 2K18 and presenting it with best edition. Thank you to all of you and All the Best for upcoming CESA...
