

About MSBTE...

The vision of MSBTE is to ensure that the Diploma level Technical Education constantly matches the latest requirements of Technology and industry and insists on all-round development of students including social concerns to become active and efficient member of globally competitive, technology led organization. MSBTE have mission to provide high quality technical and managerial manpower, information and consultancy services to enable the industry and community to face the challenging technological & environmental challenges

About Govt. Polytechnic, Aurangabad...

Government Polytechnic Aurangabad is centrally located in the historically important city of Aurangabad. It is sited on a large, pristine and scenic campus adjacent to number of prestigious educational institutes and industries. The Institute has been functioning since 1955 with its own Vision and Mission to produce Quality Technicians who will be playing a proactive role in the society. The Institute offers eight Diploma Programs in Civil, Mechanical, E&T/C, Automobile, Electrical, I.T., Computer Engineering, Dress Designing and Garment Manufacturing. Institute has strong dynamic training and placement facility for the benefit of students. Staff members are upgrading their qualifications and skills and are encouraged to be intellectually and technically apt through staff development programs. Students are motivated to enhance themselves ethically, physically and intellectually.

Vision

“To be the internationally accredited institute that contributes in the development of competent professionals and entrepreneurs on the platform of technology based systems, blended learning through highly qualified and trained staff.”

Mission

“To educate and train globally competent individuals, professionals, technicians and skilled human resources through world-class curriculum, student centric academic systems, team of committed, trained faculty and staff contributing to the students, successful employment and entrepreneurship with a spirit of patriotism and concern for environment”

Mechanical Engineering Department

Vision: Center of excellence for employability and entrepreneurship through blended learning, incubator and collaborative practices.

Mission

1. Development of competent students for employability and entrepreneurship.
2. To encourage students to participate in technical competitions.
3. Exposure to the industrial practices.
4. To create a sense of social and environmental concern by inculcating humanitarian and ethical responsibilities.
