## Department of Civil Engineering

### REPORT AT A GLANCE FOR THE ACADEMIC YEAR 2017-18

Department of Civil Engineering at present running Diploma courses in Civil Engineering in First Shift and Second Shift. The intake per year of First & Second shift is 60 students per year. Prof. J.S. Patil joined as head of department for second shift on date 01/09/2016. Presently for 2017-18 academic year she is working as Head of department for both shifts. Under guidance of Principal and Head of department different administrative, academic, and other activities are planned, scheduled and implemented in the Institute / department. Remarks by the MSBTE External monitoring for First shift was **EXCELLENT** and for the second shift was **VERY GOOD** for the academic year 2015-16 as communicated in 2016-17. Internal monitoring was done in both shifts. External monitoring is performed by MSBTE in 2018.

Different portfolios of Institute and department were allotted to the faculty and staff for smooth conduct of activities. Class representatives and class teachers were appointed. Academic activities are governed by the HOD and department academic coordinators ( Prof Y.N Shaikh and Prof Y.M.Patil ). Departmental meetings for academic and administrative purposes are conducted from time to time. Well equipped labs and highly qualified and experience teaching faculty members definitely improves the student's academic performance and their results. Further all the faculty members extended their guidance to all the Civil Engg. students, regarding poor in studies / poor performance in P.T marks, scholarships, projects, seminar, in-plant work, and other MSBTE or other activities etc. is given to the students by arranging the orientation workshops. Educational visits, Expert lectures, group discussions were arranged to develop the students. Students feed back also collected by HOD. Faculty and staff members were deputed to the trainings in different areas. Curriculum development (Prof. K.S. Borde) and NBA preparations( Dr. R.S. BANG ) also under taken by this department. Department conducted various activities & Students participation in PROJECT COMPETITION, PAPER PERESENTATION, TREE PLANTATION, SWACHHATTA ABHIYAN and IDSSA sports, Prof S.S Ragte also working as institute academic coordinator. Prof Agale P.K. personated three national level papers in conferences. Dr.R.S. Bang working as coordinator for the womens greivences committee of the institute. Prof P.V.Amale working as a coordinator for the students in registration of terms. Prof V.V.Palsingankar working as the In- Plant trainging in-charge for final year students. Prof. S.S. Ragte conducted the Parent Meet and Alumina Meet in this academic year. Around 85 alumina attended the meet and shared their experiences. Good Exam Results are obtained for winter 2017 examination of the

different classes because of the efforts of HOD, Faculty members and supporting staff. Engineers Day and Teachers Day also celebrated in the department along with fresherswel-come. Civil Engg. Department also contributed in Tree plantation, campus development, LAC works, Minority / other scholarships guidance and Women's grievances cell activities and personality development of the students of the institute for the academic year 2017-18.

Project works and In- Plant trainings of the final year students successfully completed in 2017-18 along with different visits, expert lectures and deputations of students for project competitions and paper presentations..

- Civil Engineering Department also conducted internal infrastructure audit under the guidance of Prof A. R. Thete. in the academic year 2017-18. Prof K.S. Borde is the in charge of community course of the department

• Visits

Department organized different

VISIT TO JAIKWADI DA

visits for different subjects in every academic year.

- State level technical paper presentation of MSBTE is conducted by Civil Engineering Department at institute in this academic year
